Read the text and answer the questions.

In the UK, the USA and Canada, people celebrate Halloween on 31st October. The word Halloween comes from “All Hallows' Eve” because it is the night before All Saints' Day, a religious holiday in some parts of the world. On this night, children dress up in costumes, put on masks and go door to door, saying “trick or treat” to get delicious sweets or other treats. Many people decorate their homes with ghosts and other things to give their houses a scary look. People also decorate their homes with jack-o'-lanterns. They carve scary faces on pumpkins and light candles that they put inside the pumpkin. Schoolchildren dress up and have costume and pumpkin carving contests. Adults also enjoy the celebrations by having costume parties and giving prizes for the best costumes. In some places, both children and adults can take tours of haunted houses. In Canada and the USA, children also carry small Unicef boxes and together with their treats, they collect money for this International children 's charity.
